

HIRSH HISTORY

Hirsh Industries, headquartered in Des Moines Iowa, has operated continuously since 1924. We provide high quality, durable storage and organization products for commercial use that represent the strongest value proposition in their categories.

PRODUCT LINES

- Commercial Grade Vertical File Cabinets
- Commercial Grade Lateral File Cabinets
- Commercial Grade Pedestal Files
- Commercial Grade Steel Bookcases
- Commercial Grade Pedestal Desks
- Commercial Grade Executive Desks
- Commercial Grade Steel Storage Cabinets
- Commercial Grade Free Standing Shelving Units

OPERATION

While other competitors have shifted attention and resources elsewhere Hirsh is focused on these product lines that remain key products for government entities so we continue to gain market share.

Hirsh operates state of the art manufacturing facilities in Dover Delaware and Mexicali Mexico. We are considered a small business per GSA.

Hirsh is able to service our customers with excellence by employing the most up to date technology in order processing, and supply chain management. We build to inventory which enables short lead times. We have people dedicated to supporting GSA business.
